Featured Singer:  
Jim Sargent

Jim works as a General Foreman for a company that has employed him for forty years. Here is what Jim told us:

**"I can remember being in 1st grade and singing in the school choirs and church and really loved it and always wanted to be a singer. I have always had a Karaoke machine and would sing at home and never had the nerve to sing in public. My wife, Diane,**

always kept pushing me to do it and finally around 2010 I got the nerve to do it.

I love the 50s and 60s music and my favorite artist is Bobby Darin (*Dream Lover*). I love to sing love songs as well. A favorite is

**Ronny Millsap's *Lost in the Fifties***

with my buddy Chad.

Jim is a beautiful crooner!!!

Featured Singer:  
Lisa Workman

Lisa has been singing since elementary school. In high school she went on to a cappella choir and Madrigals. She also **sang bass in *Sweet Adeline's***

**(women's barber-shop) for seven years.**

Regarding karaoke,

**Lisa said "My husband, Roger, took me to karaoke and I wouldn't sing. Believe it or not, I had stage fright! It was a long time before I would - but when I finally did, they couldn't shut me up!" I love the standards even though I don't sing them often. I love late 60s to early 70s rock."**

Lisa works as a Sterile Processing Tech, cleaning and sterilizing surgical instruments.

Lisa has an amazing voice and we LOVE to hear her sing!
