Chad & Linda Davis

# CLUB KARAOKE & DJ SERVICES!

## A Newsletter is Born!

Welcome to Club Karaoke's maiden issue of our newsletter! Quarterly we will feature one or two of our regular singers, a little bit about them, and a little bit about the music they sing and favorite artists.

For this first issue we will feature ourselves so you can see how it will be done. Chad is first!

## Chad Davis

Chad never knew he could sing before 2007. He was invited to Bob Hoover's house. Bob had a little karaoke machine and conned Chad into singing a couple of songs. Bob's wife came downstairs to see who was singing so good and Chad was bitten by the karaoke bug!

## Linda Davis

Linda is retired executive secretary after many wonderful years of making her bosses look good. She continues to enjoy working from her home office as an outsourcing secretary and web designer. She also enjoys crocheting and crafts.

She has many years experience chairing large events such as class reunions and corporate seminars. Linda hopes to be able to use her expertise helping clients plan special events.

After a lifetime of choirs in school and church, she heard about karaoke in 2012. She was surprised when she found out it was still alive! She thought it had died years before! She loves disco music and

The first song that Chad ever sang in public was *Smoke Rings in the Dark* by Gary Allen. He got great reviews from the audience and never looked back. Chad loves to listen to other singers just as much as singing himself and that was when DJ-ing became his passion. His favorite genres are country and the 80s.

Chad met Linda at karaoke and they were married at an Hawaiian-themed wedding in September 2017. They sang *The Hawaiian Wedding Song* to each other as a duet during the ceremony. Chad has two grown daughters from his first marriage and is Chief Inspector for and aerospace

company in Elyria; he has been employed there for thirty-nine years.

crooning sappy love songs. Her all-time favorite artist is Diana Krall. Two of

Linda's favorite songs that Diana has sung are *Willow Weep for Me* and *Peel Me a Grape* and LOVES singing them.

She also loves the smooth sounds of Michael Bubl  and can get emotionally charged by singing his renditions of *Cry Me a River* and *Feeling Good*.

Linda has two grown daughters, Hallie and Stacy, and four grandchildren, Sean (21), Noelle (20), Michelle (16) and Brandon (15).

Chad and Linda met at karaoke and married in 2017.

## Trivia

Every month, Chad brings his show to the Elyria Moose Club and enjoys giving goodies away playing trivia with the audience. Here are some of the trivia used in the past.

The Isley Brothers' hit was called <i>Behind a ...</i> what?	Painted Smile
American DJ Robert Weston Smith was better known by what stage name?	Wolfman Jack
Who was Johnny Cash's first wife?	Vivian Liberto
Who coined the term "country music?"	Ernest Tubb in 1958
Who originally fronted Herman's Hermits?	Peter Noone

You gotta love the look on her face!

## Event Planning Tips

A class reunion is an exciting time to reconnect with old friends and make new friends of old acquaintances. But there are many things that determine whether it is a successful event or not,

First of all, according to Reunions Magazine, if you get 10% of your classmates at the reunion, it is a success! This is a national statistic.

Secondly, be sure to provide your guests with a quiet place to talk. The majority of

classmates want to spend their time reminiscing, not watching a show. And be aware that too much entertainment is just as bad, if not worse, than no entertainment.

And here are a few more suggestions:

- Bring back the cheerleaders, pep squad, school mascot (give them a donation).
- Reunite school choir members and have them sing the school fight song.
- Pass the microphone for introductions by table.
