# CLUB KARAOKE & DJ SERVICES!

Featured Singer:  
Mike McClain

I have been playing guitar and singing since I was 12.

My father, Curly, was my best friend and mentor and he taught me to play and sing. I have been called Big Mike ever since.

I love karaoke for learning new songs and finding out which ones I can sing and what the people like.

Featured Singer:  
Sharon Adams-Hill

I didn't know what I was missing until my Mom invited me to karaoke last winter.

I had only sang out loud in my car and in the shower so I was a bit shy my first time in the spotlight.

**But, I'm grateful for that day and I've been singing karaoke**

**ever since. I've met a lot of nice people and have even made some new friends. I'm not afraid to get up there and sing new songs. Everything from Shania Twain to Madonna.**

Nobody at any of the shows is judgmental. I guess maybe all of those years singing in the choir **when I was younger might've actually paid off.** Music is a passion of mine and karaoke is the perfect way to express it.
